1. Attendance Policy addendum for covid 19

1.1 Policy Statement

- Poor attendance disadvantages children. We aim to ensure that the children in our school attend regularly and on time, and where this is not the case, staff follow a staged procedure to encourage consistent attendance.
- While 100% attendance is clearly the ideal, in many cases legitimate illness or other factors can prevent it. Such attendance where it occurs, is clearly excellent. On the other hand, attendance, which falls below 90%, where a child is known to be in reasonable health and there are no extenuating circumstances, is poor and should give cause for concern. In order to ascertain the levels of individual children's attendance we have a set of procedures, outlined below, and where there is cause for concern, appropriate action will be taken.
- Pupils are expected to attend school for 190 days a year. Pupils must be ready to start their lessons at the time set on their individual timetable before registration at 10.30am. Social workers and carers are expected to request permission in advance for any absence other than illness and the school has every right to refuse it. Each request will be assessed on an individual basis.
- We are obliged to make our attendance figures known to legitimate agencies by completing appropriate returns.
- This addendum addresses the legal requirements for attendance during covid 19 as set out in government guidance

1.5 Further Information

2. Attendance Procedure during covid 19 from 01/06/2020

2.1 Responsibility of the headteacher

- FHS will resume taking an attendance register and record expected attendance on the Arbor system .
- FHS will use the codes suggested by the department of education to record attendance and absence in the attendance register.
- FHS will submit daily attendance figures using the educational setting status form to the department for education by midday every day.

2.2 Registers

As a legal document, a register is kept on the Arbor system and completed each morning and afternoon. We will close the register after at 10.30 in the morning and after the 1.45 in the afternoon. Due to the nature of the school, the whereabouts of the young people are known at all times that they are timetabled to be with school staff in the school.

During Covid 19 the following codes will be used:

Pupils who are not eligible to attend a session

- This includes any pupil who is not in an eligible year group or priority group (children of critical workers and vulnerable children). This may also include children who are in an eligible year group but are not required in school for a specific session.
- They should be recorded as code X (not required to be in school). (Temporarily, code X can be used for compulsory school age children – usually it is only used where non-compulsory school age children are not expected to attend.)
- All children attending FHS are deemed to be `vulnerable`. Reasonable endeavours' will be made to ensure that their safety and EHC needs are met. All will be assessed for attendance in a home learning risk assessment and will attend by virtual means or face to face. Welfare calls will continue to be made throughout.

Pupils who are eligible to attend a session but do not

This includes children in eligible year groups, children of critical workers and vulnerable children, such as:

- where a pupil is shielding, self-isolation, or the pupil has an education, health and care plan (EHCP) and their risk assessment says that their needs cannot be safely met in school, they should be recorded as code Y (unable to attend due to exceptional circumstances). (Temporarily, code Y can be used where a pupil is prevented from attending school due to following government guidance on coronavirus). To help you to complete the educational setting status form, you should note whether the absence is due to shielding or isolation
- where a pupil cannot attend school due to illness, as would normally be the case, the pupil should be recorded as code I (illness). To help you to complete the educational setting status form, you should note whether the illness involves coronavirus symptoms
- where a pupil does not attend school - despite being eligible and is not shielding, self-isolating, unable to attend due to illness, nor has an EHCP risk assessment saying their needs cannot be safely met at school, the pupil should be recorded as code C (leave of absence authorised by the school) where no other authorised absence code is appropriate
