About 1 ACE Virtual

1 ACE Virtual is the Five Rivers nationwide virtual education platform. We offer education and extra tuition to learners aged 16-18 years. We work closely with schools and local education authorities to offer quick response flexible bespoke education packages for children and young people experiencing placement changes, LEA transitions, school changes and wellbeing.

1 ACE Virtual develops the whole learner by adopting both a therapeutic and academic approach to ensure they achieve the best possible learning experience and outcomes. We also work closely with parents/carers, and health and education professionals as part of the learner's wider education support network.

1 ACE Virtual:

- Is a nationwide virtual education platform.
- Offers quick response flexible online tuition.
- Education is delivered by a team of outstanding qualified teachers and SLE's experienced in mainstream, SEND and trauma informed educational needs on a one to one or small group basis.
- Guarantee's high quality teaching, communication and assessment.
- Offers attendance at education meetings to provide support, advocacy and advice. →

"I really enjoyed my lesson, I wish all lessons were like this."

1 ACE Virtual Learner

→ Quick response education

At 1 ACE Virtual we have worked closely with our schools and local education authorities to create and develop a quick response education service that meets their needs.

We offer:

- Quick response referral process.
- Quick response education placements.
- No long commitment periods.
- A short five minute one stop application process.

Quality assured teaching and learning

We offer high quality teaching communication and assessment and quality assure our teaching and learning in line with Ofsted requirements. Each lesson is individually planned and delivered by our team of qualified teachers who are experienced in mainstream, SEND, SEMH and trauma informed educational needs. All lessons are live and delivered on a one to one basis. We teach in line with the national curriculum framework and boast a wealth of knowledge and experience in primary, secondary and alternative education specialisms and diagnoses.

We feel that offering a consistent teacher to our learners is important as it helps to build confidence and self-esteem. All our teachers are Five Rivers employees.

“I wish you could have seen the smile on Ellie’s face when you said how well she had done.”

or call 07935 001693

Wider support network

At 1 ACE Virtual we work closely with parents/carers, and health and education professionals as part of the learner’s wider education support network and can offer as part of our commissioned services:

- Education consultancy and advice for the children we teach.
- Support and advise at statutory meetings for the children we teach.
- A pupil portfolio of information to aid a smooth transition to the learner’s next education placement.

Pupil portfolio

When our 1 ACE Virtual interim learners are ready to take their next steps back into education we work closely with the school and adopt a flexible step down approach informed by the learners needs. To aid this transition we can offer a pupil portfolio of information which contains (depending on duration):

- A Pupil Profile
- Base Line Assessments in core subjects
- An Individual Curriculum Plan (SOW)
- Samples of work
- Progress Reviews and Reports
- Record of achievements

About Five Rivers Child Care

Five Rivers Child Care provides high-quality foster care, residential child care, education, assessment & therapy and crisis intervention for children and young people in England and the Republic of Ireland. Five Rivers Child Care works in partnership with service users, carers, local authorities, health and education services and parents to help children and young people to feel safe and happy so they can thrive, achieve their full potential and live fulfilling lives.

Education referrals

If you would like to discuss an education placement, please contact our referrals team for more information on **0800 3898708** (Option 3).

If you would like to discuss anything additional relating to education for a child or young person please contact the Education team:
