

1 ACE Virtual Mission Statement

Our vision is to develop happy, confident and responsible individuals who aspire to achieve their full personal and academic potential. We will do this by supporting our learners to overcome the barriers to education they are experiencing.

We welcome all to our caring and therapeutic learning environment where their confidence will flourish and every learner is encouraged to be more than they ever thought they could be.

Our Vision is to deliver an outstanding educational experience for every learner, by:

- Valuing every individual, ensuring they realise their potential.
- Providing inspirational and engaging learning.
- Ensuring all learners can achieve.
- Delivering outstanding teaching and learning to inspire the learner to develop as an individual and progress academically.
