1. Attendance Policy

1.1 Policy Statement

- Poor attendance disadvantages children. We aim to ensure that the children in our provision attend regularly and on time, and where this is not the case, staff follow a staged procedure to encourage consistent attendance.
- While 100% attendance is clearly the ideal, in many cases legitimate illness or other factors can prevent it. Such attendance where it occurs, is clearly excellent. On the other hand, attendance, which falls below 90%, where a child is known to be in reasonable health and there are no extenuating circumstances, is poor and should give cause for concern. To ascertain the levels of individual children's attendance we have a set of procedures, outlined below, and where there is cause for concern, appropriate action will be taken.
- Pupils are expected to attend the provision for 190 days a year. Pupils should be ready to start their day at the time set on their individual timetable and registration will close an hour after their start time. Social workers and carers are expected to request permission in advance for any absence other than illness and the provision has every right to refuse it. Each request will be assessed on an individual basis.
- We are obliged to make our attendance figures known to legitimate agencies by completing appropriate returns.

1.5 Further Information

2. Attendance Procedure

2.1 Responsibility of the Head Teacher

- The Head Teacher has initial responsibility for expecting good attendance and punctuality from the children in their care and reward systems are put in to place to promote good attendance, keeping the register correctly and refer any concerns to the local authority, parents/carers, and Head of Education.
- If attendance becomes a problem, a phone call will be made to the parent/carer. The next step would be a letter sent to the parent or carer. Following this, if absence is still of a concern, a meeting will be put in place to discuss issues and possible solutions. External professionals may also attend this meeting such as social workers and the local authority.
- On a monthly basis, attendance figures are sent to the Head of Education for data collection. A check is made that all absences have a reason entered. Any letters regarding absence are kept with the register/pupil file. Reports are sent to parents/carers each term and a monthly report is written for the Senior Management team, including attendance data.
- Upon returning to school after a period of absence, it is important that all adults involved with that child are positive and welcoming. Some may need sympathetic handling on their return.

2.2 Registers

As a legal document, a register is kept on the Connect system and completed each morning and afternoon. The morning register opens at 9.30am and closes at 10am. The afternoon register opens at 12.45pm and closes at 1.15pm. Pupils accessing our 1ACE North outreach provision will have their attendance reported within the first 15 minutes of their session start time due to our pupils having differing timetables and being on bespoke packages of education. Due to the nature of the school, and 1ACE service the whereabouts of the young people are always known as they are always supervised by staff.

2.3 Authorised Absence

These activities are treated as equivalent to present for statistical purposes

- Educational off-site (Not dual registration)

- Attending interview with prospective employers or another school
- Approved sports activities
- Educational visit/school journey
- A part time induction timetable
- A part time placement

2.4 Unauthorised Absence

We will use our professional judgment in deciding whether to authorise an absence. Clearly, where there is a definite pattern of non-attendance or where the explanation for absence is unsatisfactory, investigations into reasons for absence will be conducted.

2.5 Missing from Education

A child going missing from education is a potential indicator of abuse or neglect. Staff members should discuss with parents/carers the reason for the child missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect including sexual abuse or exploitation and to help prevent the risks of them going missing in future.

Our provision has safeguarding duties under section 175 of the Education Act 2002, and recently Keeping Children Safe in Education 2023, in respect of our pupils, therefore we will investigate any unexplained absences.

If there are concerns with a child missing from education, the DSL must be informed to decide on the next step.

2.6 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences. However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Parents and carers should notify the school as soon as possible of a medical or dental appointment and this will be recorded on the register as 'M'.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

2.7 Lateness and punctuality

A pupil who arrives late before the register closes will be marked as late using the appropriate code.

2.8. Study leave

Study leave should only ever be granted to pupils in year 11. It will be done on an individual basis in consultation with the placing authority and provision will be made available for those pupils who want to continue to come into school to revise.

All pupils are different and have different requirements and preferences when preparing for examinations. In some cases, alternatives to study leave will be organised, particularly for those pupils who do not have the skills, or are not inclined, to make the best use of unsupervised and unstructured revision time. Study leave is also a chance for pupils to develop their independent study which will help them when they move to post-16 provision, where a self-study approach is commonly used. Study leave will not be applicable to all year 11 pupils as not everyone will sit a formal exam.

Recording the attendance of pupils on study leave

Y11 pupils granted study leave will be marked on the attendance register as an authorised absence using code S.

2.9 Persistent Absence

Pupil absence is collected weekly and monitored formally each half term, highlighting those whose attendance falls below 90%. For those below 90%, a letter is sent to the parents/carers to inform them that their child's absence is causing concern.

2.10 Annual Holidays

Annual holidays will not be authorised in term time, except in exceptional circumstances at the discretion of the Head Teacher.

2.11 Roles and Responsibilities

The Head Teacher and Head of Education are responsible for encouraging good attendance, seeking out reasons for absence, keeping the register correctly, and for referring any concerns to relevant stakeholders
