- Be aware of the location of fire escapes, fire alarms and evacuation assembly points. There are 6 fire alarms at Willow Haven Centre they are situated in each of the class cabins, the staff cabin/kitchen and the storeroom in the toilet block.
- Comply with all site health and safety procedures including emergency fire drills and evacuations. Fire drills are completed within Willow Haven Centre half termly.

2.2 Evacuation procedures at Willow Haven Centre

The assembly point for all aspects of Willow Haven Centre is out of the gate on the left-hand side.

Assembly points on education bases are noted on the fire evacuation plan specific to each base. If the fire alarm sounds, staff, students and visitors evacuate through one of either of the class cabin fire exits.

2.3 Roles and Responsibilities

The daily fire checks are recorded on the Cura system by Sarah Vaughan (Site lead and Health and Safety Representative) and Courteney Newell (HLTA/Fire Marshal). Some staff at Willow Haven Centre have completed fire extinguisher training. Courteney Newell is a Fire Marshal for the site.
